# What is the South Carolina USBC Association ?

The South Carolina USBC Association is a 501(c)(3) Non-Profit organization that manages the sport of bowling in the State of South Carolina. One of our ongoing missions is to promote the game of American Ten Pins to the youth, so that any and all youth that wish to participate may do so, to try to provide youth with an avenue to do something constructive with their time, so as to avoid any temptations that would be detrimental to them or their families/friends. We provide scholarship opportunities to our graduating seniors throughout the state each year, to provide financial assistance to those youth wishing to further their education. In our state association, we have youth members/bowlers ages 3- 19.

The USBC Junior Gold Championship Tournament is an International bowling event held throughout the United States each year with bowlers from the U.S., Canada, Europe, Puerto Rico and the Far East. Youth in South Carolina that qualify at their local level receive the opportunity to bowl in the SC State Pepsi Tournament held in Columbia, South Carolina each year. The state winners in Columbia then get the opportunity to enter the USBC Junior Gold Championship Tournament each year. Your business can take part in this Tournament by sponsorship opportunities provided by this event. Please see the sponsorship opportunities on the Sponsorship Information page. Your sponsorship will be tax deductible.

# Sponsorship Opportunities
