Subject: Awards and Prize List - 2nd Annual SC USBC Championship Tournament 2008

Attached is the prize list for the 2nd Annual SC USBC Youth Championship Tournament conducted in Charleston on April 19-27 and May 3-4, 2008. I would like to take this opportunity to thank everyone who contributed to this year's tournament. A special thanks is extended to the members of the Charleston USBC Youth for their support each weekend.

With reference to the prize list, please note:

- a. Emblems are awarded only to the first place in any event.
- b. Plaques will be awarded to first, second and third places in Team, Doubles, Singles, All Events Scratch and All Events Handicap.
- c. Plaques for scratch awards will be awarded to the overall high scratch Team, Doubles, Boys Singles and Girls Singles (1st Place only for each).
- d. Plaques for President's Award (High Series Scratch) and Youth Leader's Award (High Game Scratch) will be presented at next year's State Tournament in the Tri County Association (Lancaster/Rock Hill).
- e. Emblems with scratch chevrons will be awarded to the winners in All Events Scratch. Please remember an individual may not win both a handicap and scratch award. When an individual qualifies for both awards that individual will receive the highest award earned. If awards are equal the scratch award will be given.

The prize list is being forwarded to the trophy company with this mailing and any plaques won by bowlers in your association will be shipped direct from the trophy company to the person page entitled addresses. **Please notify me immediately if you see any errors, such as spelling, so I can notify the trophy company.** The plaques should be in the mail within three to four weeks from the date of this letter.

We hope this has been a positive experience for all that traveled to Charleston as we can state it has been for the SC USBC Youth. We appreciate your participation in this year's tournament and look forward to seeing you next year in Lancaster/Rock Hill for our 3rd Annual Tournament under the SC USBC.
